

HUMASTONE
from block to dream

The image features a full-page background of a marble pattern with swirling veins of white, grey, and beige. Centered on this background is the 'HUMASTONE' logo. The word 'HUMA' is in a dark navy blue, and 'STONE' is in a vibrant teal. A thin teal diagonal line cuts through the letter 'A'. Below the main logo, the tagline 'from block to dream' is written in a smaller, dark grey sans-serif font.
